Pune – September 3, 2024: Jawa Yezdi Motorcycles, pioneers in the 'Neo-Classic' segment in India, proudly announce the launch of the all-new **Jawa 42 FJ**—the latest addition to the Jawa 42 Life series. With prices starting at ₹199142 (ex-showroom, Delhi), the 42 FJ redefines the neo-classic category with an unbeatable blend of design, performance, and value.

Key Highlights:

- **Expanded Series:** The 42 FJ joins the celebrated 42 Life series alongside the 42 and 42 Bobber.
- **Striking Design:** Features a bold road presence with a longer wheelbase and higher ground clearance.
- **Premium Build:** Segment-first brushed aluminum tank panels and an all-new muscular design with enhanced ergonomics.
- **Performance Excellence:** Powered by the new 350 Alpha2 engine, delivering class-leading performance.
- **Enhanced Features:** Upswept exhaust, all-LED lighting, and a fully digital instrument cluster.

The **Jawa 42 FJ** represents a significant evolution in the brand's legacy, blending classic Jawa DNA with modern technology. Inspired by František Jane

ček, the visionary founder of Jawa, this motorcycle offers a bold, modern riding experience for today's enthusiasts.

Anupam Thareja, Co-founder of Jawa Yezdi Motorcycles, stated, *"The 2024 Jawa 42 embodies our design-led approach to motorcycle engineering. We've achieved a great blend of performance, design, and precision engineering. The 42 FJ is a testament to our challenger spirit and disruptive approach."*

Stunning Design and Formidable Performance

The **Jawa 42 FJ** stands out with its anodized brushed aluminium fuel tank cladding—a first in its segment—offering personalisation options with various colours and branding choices. The bike's cohesive design, featuring aluminium headlamp holders, grab handles, and footpegs, honours Jawa's heritage while embracing modern craftsmanship.

The 42 FJ's design includes iconic curves, an off-set fuel cap, and a wide flat seat with premium stitching for enhanced comfort. Modern features such as the upswept exhaust delivering the signature Jawa sound, an all-LED lighting package, and a fully digital instrument cluster blend traditional aesthetics with current technology.

At the heart of the 42 FJ is the cutting-edge 350 Alpha2 engine, delivering 29.2 PS and 29.6 Nm of torque. Paired with a six-speed gearbox and A&S clutch technology, this engine provides unmatched acceleration and a smooth riding experience. The motorcycle is engineered on a double cradle frame with a 1440 mm wheelbase and a 178 mm ground clearance, making it perfect for both city and adventure rides. Enhanced safety is ensured with dual-channel ABS and larger disc brakes.
